LJUBLJANSKE MLEKARNE
CVETANA RIJAVEC

predsednica uprave

“Letošnje leto je za Ljubljanske mlekarne poslovno izjemno težko predvsem zaradi neobvladljive rasti cen surovin, energentov in embalažnih materialov. Prepričani smo, da se bo situacija v naslednjem letu nekoliko izboljšala, taki so vsaj signali na evropskem trgu mleka. Na naše poslovanje dodatno vpliva negotova lastniška struktura, razrešitev te situacije pričakujemo še v tem letu.”

BSH HIŠNI APARATI RUDOLF KLOETSCHER

generalni direktor

“Podjetje BSH Hišni aparati je v letu 2010 z več kot 1.100 zaposlenimi ustvarilo 271,1 milijona evrov prihodkov, kar je 12 odstotkov več kot leta 2009. Prav tako smo na vseh trgih povečali svoje tržne deleže, z novoustanovljeno podružnico v Bolgariji pa smo še utrdili svoj položaj na trgu. Za te dosežke je predvsem zaslužna usmeritev v dolgoročni in trajnostni razvoj ter vztrajanje pri strategiji širitve prodaje in trženju po načelu “Value for money”.”

PERUTNINA PTUJ
dr. ROMAN GLASER

predsednik uprave in generalni direktor

“Pričakujemo, da se bodo spremembe še naprej odražale v nakupnih navadah, čemur smo prilagodili našo operativno in strateško-pridelovalno, tržno ter operativno strategijo. Za doseganje zadanih ciljev je v luči razmer seveda nujna stroškovna konsolidacija, ki je danes že ustaljen poslovni proces. Učinkovita pridelava, distribucija in prodaja so tako ključni elementi tekoče realizacije pri tem pa imajo pomembno vlogo poleg tradicionalnih trgov Perutnine Ptuj tudi novi trgi in novi kupci ter tehnološki razvoj.”

MILAN ZALETEL

član uprave

“Čaka nas zelo pomemben izziv, kako doseči vzdržno rast in uravnovežiti finančne in nefinančne kazalce poslovanja ter obrniti padajoči trend finančnih kazalnikov. Skrb za uporabnike in ljudi, vlaganja v napredne tehnologije in storitve nam bodo omogočili trajnostno in stabilno rast. Razumemo uporabnika in razumemo svoj posel, zato menimo, da je to prava pot do uspeha. Lastniki nam ob tem izrekajo vso podporo, tako da omejitev ob premišljenem poslovanju in vodenju ni.”

GORENJE
FRANJO BOBINAC

predsednik uprave

“Poslovanje v naši panogi otežujejo namreč visoke cene surovin, ki so ponovno na zgodovinskih ravneh. Temu je treba dodati še brezposelnost, proračunske težave evropskih držav, inflacijske pritiske. V Gorenju se temu sicer zoperstavljamo z inovativnim razvojem izdelkov, iskanjem novih perspektivnih trgov in povečevanjem deleža bolj dobičkonosnih izdelkov v strukturi prodaji.”
